

22 in. Magnolia Leaf Hand-built Wreath

NGD-3822GR

This wreath has more double-sided green gold leaves than ever, arranged all in the same direction, just like fresh cut branches are arranged into wreaths. This wreath will last for multiple seasons, or can be used year-round in a protected location. Our Faux Fresh® Magnolia leaves have a bright, glossy green finish on the top

and a golden suede finish on the underside for a live Magnolia look and feel. The wreath has 126 leaves, is 22" diameter, 6" deep, and has a 6" center opening. This wreath should not be left in direct sunlight, or exposed to the weather for extended periods of time.

About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.
