

6' Fraser Fir Garland

NGD-3874GR

New Growth Designs' Fraser Fir Garland is the pinnacle of versatile holiday décor. The lifelike Fraser Fir foliage is thick with needle-like leaves and brown cones scattered along the garland length. The 6' long

garland is suitable for indoor or seasonal outdoor use. Do not expose to direct sunlight for extended periods of time.

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.

- High-quality alternatives to live, potted plants
- Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.
