

Barlow Tyrie Adirondack Teak 5pc Seating Ensemble

BTY-Adirondack-ENS

The Barlow Tyrie Adirondack Teak 5pc Seating Ensemble features solid teak construction and a classic design. Originating in the Adirondack Mountains of New York State, this classic design has become the most recognized outdoor chair in the USA. The deep, angled seat and high curved back combine to give an extremely comfortable chair. The footrest complements the classic Adirondack armchair design and adds that extra comfort when relaxing. This table is in the same style as the Adirondack chairs and adds

convenience when relaxing in them.
