

# Barlow Tyrie Arundel and Safari Teak 5pc Dining Ensemble

BTY-AR-SA-5pc-Din-Ens

For this table, an umbrella can be used through this table in both the closed and extended positions. The table is quickly and easily extended by one person using the two flip-over butterfly leaves. Storage is the main feature of the Safari Collection. Each piece in this collection folds away to make it easier for you to store away or transport with you while you are on the go. Simple and casual, this collection will impress you with its straight line design and versatility.

Please Note: Fabrics, canopies, cushions, covers, special order sling colors, and special order finishes are considered customized and may have longer lead times. These items cannot be cancelled, returned, or exchanged.
