

Barlow Tyrie Aura 7pc High Dining Ensemble

BTY-AURA-7pc-D-ENS

The Barlow Tyrie Aura Teak High Dining Carver Chair is a perfect addition to your vacation veranda or your humble home as the sophisticated design lends itself to both elegant and effervescent indoor and outdoor environments. The versatility of this piece readily adapts from casual back yard conversation, to pool side cocktails, to gala gatherings. The hand-woven, nearly bassinette like comfort of the seat is fashioned with the finest of stretch resistant synthetic Textilene® material draped over the durable Virgin-Aluminum frame. Topped off with a teak accent on the arms this transforms the Barlow Tyrie Aura Teak High Dining Carver Chair into a strong and color fade resistant patio or poolside sentinel.

The regal design of the Barlow Tyrie Aura High Dining Table is one that expresses class and poise. The rich color and dense grain of the teak top is complimented in color and texture by the Virgin-Aluminum alloy frame. The marriage of these strong and well-crafted materials creates a style that lends itself to balcony beach views as well as poolside bar. With a foot bar running horizontally underneath the table for comfort

and the umbrella hole fashioned in the center this high dining table is adaptable to a range of heights and temperatures. Complete the look by surrounding the table with four Barlow Tyrie Aura Teak High Dining Carver Chair with matching color.
