

Barlow Tyrie Equinox Ottoman - Coal only - 1 Quick Ship

WQS-BTY-EQDO

The Equinox deep seating collection will not only provide your home with great style, but also with great comfort. The cushions come in a variety of color options that will all provide you with the comfort that most

outdoor furniture lacks, making your piece unique and memorable. Barlow Tyrie manufactures an extensive range of teak outdoor garden furniture with traditional designs that include teak chairs and tables, teak steamers, teak benches and swings, as well as sun loungers, bar furniture and deep seating pieces. We also manufacture our own extensive ranges of furniture in both stainless steel and aluminum, which include chairs, tables, loungers, bar sets and deep seating. Enjoy your Barlow Tyrie shopping experience while you view teak designs rich with heritage and built to give decades of satisfaction. The Barlow Tyrie Equinox Ottoman is made from 316 marine grade stainless steel and plantation-grown teak. The contemporary outdoor ottoman features weather-resistant Sunbrella cushions and is the perfect companion to many Barlow Tyrie outdoor chairs.
