

Barlow Tyrie Felsted Teak 5' Bench

BTY-1FE15KD

Charming details soften the lines of this lovely, longer bench, a great option for seating three on your patio. Classic in design, the Felsted collection typifies the traditional visual elements of Barlow Tyrie outdoor furniture. Though simple and sturdy in much of its styling, the Felsted collection pays particular attention to

the arms of its benches and chairs. Subtly curved for contour and support, the shape of these arms provides true comfort and adds a barely rounded visual element to the overall appeal.
