

Barlow Tyrie Glenham Teak Circular Tree Seat (price per half)

BTY-1GLSC

A versatile style with subtle details, the Glenham Collection easily compliments many other Barlow Tyrie pieces. Well-proportioned and classically designed, the gently curving arms of these pieces work with its well-proportioned body to create exceptional comfort. A slight taper at the tops of the front legs sets off the smooth arms and gives each piece a regal quality. Eight-foot benches have a center leg for extra stability, and the Glenham Swing Seat comes with a marine quality support rope and solid brass fittings. Supremely relaxing, the chairs and benches in this collection are perfect for breezy afternoons in the garden.

This seat is sold as two separate halves (priced per half) and after positioning are held together with solid brass fittings (included).

Please Note: Fabrics, canopies, cushions, covers, special order sling colors, and special order finishes are considered customized and may have longer lead times. These items cannot be cancelled, returned, or exchanged.
