

# Barlow Tyrie Layout 10pc Seating Ensemble

BTY-LY-10PC-DS-ENS

The Layout collection of modular deep seating offers many possibilities. Upholstered backs and arms are separate units that can fit on any side of the seating units to create sofas, corner sectionals, loungers, chairs, ottomans, and many asymmetric configurations. It was designed by award-winning international designers Andrew Jones and Nathalie de Leval. The refined frames are made from 316 marine-grade powder-coated stainless steel.

Please Note: Fabrics, canopies, cushions, covers, special order sling colors, and special order finishes are considered customized and may have longer lead times. These items cannot be cancelled, returned, or exchanged.
