BTY-LY-3PC-DS-ENS

The Layout Collection offers many possibilities. Upholstered backs and arms are separate units that can fit on any side of the seating units to create a comfortable seating area. This collection was designed by award-winning international designers Andrew Jones and Nathalie de Leval. The refined frames are made from 316 marine-grade powder-coated stainless steel.

Please Note: Fabrics, canopies, cushions, covers, special order sling colors, and special order finishes are considered customized and may have longer lead times. These items cannot be cancelled, returned, or exchanged.
