

Barlow Tyrie London Teak Armchair

BTY-1LOAKD

The London style is one of our most popular medium-weight line of benches and has become a favorite of customers for use in both formal and informal settings. The bench and armchair are also a popular choice for parks, hospitals, churches and schools. More traditional and classic in design, the London Collection features a comfortable and medium back height and dished seat on all of their pieces.

Barlow Tyrie manufactures an extensive range of teak outdoor garden furniture with traditional designs that include teak chairs and tables, teak steamers, teak benches and swings, as well as sun loungers, bar furniture and deep seating pieces. We also manufacture our own extensive ranges of furniture in both stainless steel and aluminum, which include chairs, tables, loungers, bar sets and deep seating. Enjoy your Barlow Tyrie shopping experience while you view teak designs rich with heritage and built to give decades of satisfaction.
