

EVO Dual-Light Sound Pod

TRG-EVO-

Light up the night with the Treasure Garden EVO Dual-Light Sound Pod. This two-in-one device allows the user to enjoy their outdoor experience to the fullest. The pod can either be used as one piece with exceptional LED lighting and speaker quality, or it can be used in two pieces. The upper half forms an umbrella light and speaker that can clamp onto your umbrella pole while the lower half forms a table lamp. This ingenious design allows for flexibility and music in any outdoor space.

- Up to 8 hrs battery life
- Rechargeable
- Speaker works with any bluetooth device
- Comes in White and Black
- Top half can attach to cantilever adapter or to umbrella pole up to 2 inches

- Lower half becomes a light
- Self-adjusting clamp
- Water resistant
