

Emu Flora Outdoor/Indoor Stacking Side Chair

EMU-AH1000

The Flora side chair has a shiny appearance and is lightweight for easy stacking. The tubular frame is strong

enough to withstand heavy use, while its slatted back and seat provide user comfort. Flora resists corrosion and has PVC-capped feet to prevent floors from being scratched. Its minimalist lines and polished look are ideal for use indoors or outdoors.

Deeply dedicated to the 100% Made-in-Italy production philosophy, Emu has been manufacturing some of the world's finest domestic and commercial furniture since 1951. Pioneering in the technical know-how for metal processing and protection, they create pieces that allow their customers to relax in an Italian-style outdoor living space. They are dedicated to innovation, quality, sustainability, and international orientation. The company has a distribution network covering over 85 countries.
