

Emu Nova 28" Outdoor/Indoor Stacking Table

EMU-858

Distinctive characteristics of the Nova collection are its small size and functionality. Due to the special

technology used for the materials in the tabletops, Nova tables stabilize automatically on any type of flooring. The collection is completed with square and rectangular dining tables with clean lines that enhance the unique design of the chairs.

Deeply dedicated to the 100% Made-in-Italy production philosophy, Emu has been manufacturing some of the world's finest domestic and commercial furniture since 1951. Pioneering in the technical know-how for metal processing and protection, they create pieces that allow their customers to relax in an Italian-style outdoor living space. They are dedicated to innovation, quality, sustainability, and international orientation. The company has a distribution network covering over 85 countries.
