

Enduraleaf 11 Inch Boxwood Ball in Urn

NGD-E804.26

Designed for outdoor use, this lush realistic Enduraleaf® boxwood ball will stay green for years. This cuts out all of the pruning and watering required to care for a real shrub. This faux plant is permanently set in a lightweight fiberglass urn with a classic Roman shape.

About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.

- High-quality alternatives to live, potted plants
- Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.
