

Enduraleaf 20 Inch Boxwood Vine Garland Section

NGD-E816GR

This 5" wide x 20" long slender vine garland section features our Enduraleaf two-tone green faux Boxwood greenery. Each section attaches together end to end with a locking fastener, so you can create longer sections. Use to decorate outdoor banisters, arches, doorways, or create a custom garden trellis. This product

is used for our E11882GR trellis. The Enduraleaf greenery is on one side only. Wire or zip-tie together back-to-back for a full garland.

About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant emulates the beauty of the natural world without the need for upkeep, maintenance, or replacement.

- High-quality alternatives to live plants
