

Enduraleaf 22 Inch Boxwood Hedge in Planter

NGD-E81401.55A

Perfect for "hard to grow or maintain" outdoor spaces, and instant decor for weddings and events. The 22"

height hedge is covered with faux Boxwood, now mounted on galvanized steel base, which drops into our 45" long planter, made of sturdy Fiberglass for outdoors. Caster wheels can be added for additional fee.

About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.

- High-quality alternatives to live, potted plants
- Using only the finest materials available, each plant simulates the beauty of the natural world without the need for upkeep, maintenance, or replacement.
- Dimensions: 45L x 14W x 42H inches
