

Enduraleaf 26 Inch Boxwood Pumpkin Shaped Topiary

NGD-E14020BX

This 64" tall shrub topiary has a 26" diameter Enduraleaf boxwood pumpkin-shape mounted onto an artificial trunk, and mounted in a 16" dia. x 13" ht. nursery pot. The realistic trunk is stabilized with a reinforcing metal rod, while the ball has a strong wire support inside to avoid crushing, the base is weighted. Mount this into

any planter with at least 17" opening and 14" depth. This will fit into most of our planters 20" or larger. This item must ship via Motor Freight truck.

About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.
