

Enduraleaf 26 Inch Boxwood Shrub Ivy Vines Cube Planter - Lantern Shape

NGD-E14024GR.2D

Our distinct Enduraleaf Boxwood lantern-shaped artificial shrub offers a new shape for your garden and landscape. Now we've planted with cascading UV Ivy vines to create a unique garden planter which measures 50" height. The lantern Boxwood shrub has strong wire support inside to prevent crushing, and is mounted in a 16" dia. x 13" ht. weighted nursery pot. The plant is perfectly fitted to, and ships with, a 20" fiberglass cube pot with faux lead finish. This Boxwood Shrub is an ideal ornament for an entryway or patio. Oversize shipping in 2 cartons for easy installation on site.

About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.

- High-quality alternatives to live, potted plants
