

Enduraleaf 28 Inch Boxwood Ball in Square Planter

NGD-E810GR.49E

This realistic 28" ball of lush faux boxwood foliage is securely fastened in a square fiberglass pot with panel accent, creating a simple, versatile outdoor decoration that moves as one piece. The 24" planter is constructed of lightweight fiberglass with a matte lead finish and hole for water drainage. We have weighted

the planter for stability in outdoor settings.

About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.
