

# Enduraleaf 62 Inch Boxwood Hedge with Planter

NGD-E814.55B

Especially versatile for weddings and events, this hedge is covered on 4 sides and top with faux Boxwood, now mounted on galvanized steel base, which drops into our 65" long planter, made of sturdy Fiberglass for outdoors. Boxwood foliage is made of Enduraleaf LDPE (Low-density polyethylene), engineered to last longer

in full sun and weather exposure.

## About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.

- High-quality alternatives to live, potted plants
- Using only the finest materials available, each plant emulates the beauty of the natural world without the need for upkeep, maintenance, or replacement.
- Dimensions: 65L x 14W x 42H inches
