

Enduraleaf Bamboo Tree - 3 Stalks 9ft

NGD-E18789YG

This Enduraleaf Bamboo triple-trunk tree has inherent UV in the materials, so use outdoors with our assurance that it will last for years. We have constructed this tree with 7', 8', & 9' height stalks which are loaded with branches full of yellow-green bamboo leaves result in a 9' tree. Each Bamboo leaf stem is wired,

to shape outward or upward as you wish. The trunks are mounted in a 10" height plastic liner, which can be installed directly into the ground or mounted in a planter.

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant emulates the beauty of the natural world without the need for upkeep, maintenance, or replacement.
