

# Enduraleaf Boxwood Ball in Tapered Pot

NGD-E808.6C

Use this topiary where you need a taller garden ornament. This realistic 22" ball of lush faux boxwood foliage is securely fastened in a square fiberglass pot creating a simple, versatile outdoor decoration that moves as one piece. The column pot is made of lightweight fiberglass with a heavy-looking matte lead finish and holes

for water drainage.

## About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.
