

Enduraleaf Boxwood Hedge Trellis Divider in Planter

NGD-E1845BX.55A

Introducing a twist on our classic Enduraleaf® Boxwood Hedge: Boxwood Hedge + Trellis Divider. The boxwood is affixed to PVC railing and then mounted on a galvanized steel base, ensuring years of stability and durability. This divider/hedge can be used in a number of different ways whether it be on your backyard

patio or for special events such as weddings and parties. Select the "add locking caster wheels" option to easily maneuver when needed.

About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.

- High-quality alternatives to live, potted plants
- Using only the finest materials available, each plant simulates the beauty of the natural world without the need for upkeep, maintenance, or replacement.
- Dimensions: 45L x 14W x 80H inches
