

# Enduraleaf Boxwood Large Obelisk in Fiberglass Pot

NGD-E11876GR.56-C

Our large Boxwood garden Obelisk is mounted on a painted wood frame which adds weight, and is made to fit perfectly inside our XX00056-C rimmed fiberglass planter. The Obelisk and planter are packed separately, but shipped together for a complete installation. Our garden Obelisk is constructed of a durable, coated

metal frame and covered with Enduraleaf plastic boxwood. All of our Enduraleaf products are manufactured to withstand sun and weather for years of outdoor use.

## About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.

- High-quality alternatives to live, potted plants
- Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.
