

# Enduraleaf Boxwood Obelisk in Fiberglass Pot

NGD-E11874GR.4C

Our Obelisk has been updated for 2016 with an improved frame! This reproduction for outdoor use looks just like a real obelisk Boxwood shrub. This beautiful and durable structure is built on a metal and plastic lower frame, with a treated wooden top, and is fastened to a wood base that is mounted in our 16" x 16" x 30" lead

finish fiberglass pot. This allows for easy installation, and rain to drain through the pot. Overall dimensions: 16" long x 16" wide x 84" high.

## About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.
