

Enduraleaf Boxwood Pumpkin Topiary with Flowers, Vines and Fiberglass Pot

NGD-E14022GW.2D

This tall shrub topiary adds another dimension to the landscape, with white flowering vines and green ivy

cascading from the base, with an accompanying fiberglass 20" cube planter with lead-look finish. This UV-stable outdoor plant features a 26" diameter Enduraleaf boxwood pumpkin-shape which is secured onto an artificial trunk, and mounted in a 16" dia. x 13" ht. nursery pot. The realistic trunk is stabilized with a reinforcing metal rod, while the ball has a strong wire support inside to avoid crushing. The vines flow out from the base, which is weighted for stability. Ships with a 20" fiberglass cube planter with bark to finish the top. This item ships Motor Freight truck in 2 Cartons. Upon arrival, simply place the topiary in the planter and add bark nuggets at top of pot.

About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant brings the beauty of the natural world indoors without the need for upkeep, maintenance, or replacement.
