

Enduraleaf Boxwood Trellis in Column Pot

NGD-E11871GR.4C

Designed for indoor or outdoor use, a realistic garden trellis with Enduraleaf Boxwood greenery is mounted in a large column pot, topped with faux grass. The wood trellis is made of pressure treated wood with maple stain, and covered on the front with lifelike Boxwood reproduction extending from two faux branches at the

bottom. Note: Boxwood is on FRONT of trellis only, wood trellis shows on back.

About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant emulates the beauty of the natural world without the need for upkeep, maintenance, or replacement.
