

Enduraleaf Pachysandra on Wood Garden Trellis

NGD-E11871TTG

This garden trellis features our realistic Pachysandra two-tone green foliage of upgraded Enduraleaf polymer. The wood trellis is made of pressure treated wood, stained maple brown, for use in the garden. The back side exposes the wood, and the front has lifelike Enduraleaf greenery, to provide a background that will stay

green for years to come. Note, Boxwood is on FRONT of trellis only, wood trellis shows on back.

About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant emulates the beauty of the natural world without the need for upkeep, maintenance, or replacement.

- High-quality alternatives to live, potted plants
