

# Enduraleaf Small 30 Inch Arborvitae Shrub

NGD-E1438SG

Our 30" Enduraleaf® Arborvitae small bush is a realistic option for challenging outdoor spaces. Features dense green foliage with spring green tips and green berries. This plant adds to our outdoor options, giving you flexibility in your landscape. Offers all the beauty of the real thing, but without the maintenance. The

bush measures 24 inches high from the top of the pot to the top of shrub.

## About

What started with a few small pieces is now an international business, with arrangements featured in some of the world's finest luxury stores, museums, and hotels, and sought after by today's best-known designers. Every Faux-Fresh™ arrangement is designed by Ed Glenn (White House designer) with meticulous attention to detail and hand-assembled in Greenville, North Carolina, by a team of designers dedicated to creating the most realistic botanical reproductions possible. Using only the finest materials available, each plant emulates the beauty of the natural world without the need for upkeep, maintenance, or replacement.
