

Golden Care 3 Liter Teak Protector

KVRS-GT112

Simply better! This easy-to-apply teak protector maintains the golden-brown color of teak for a long time.

Results last up to 4 times longer than teak-oil; up to twice as long as teak sealers. Teak-oil often causes black spots on teak. Our protector prevents black spots. Our teak protector is not an oil and it is not greasy, so clothes stay clean. Most teak-oils/sealers contain hazardous solvents/voc's. Our protector is completely water-based and solvent-free: that is why we call it EcoSafe.

- Lasts 4 times longer than oil
- Prevents black spots
- Eco-friendly water-based

BEWARE OF OIL-BASED PRODUCTS

Golden Care products are water-based. Water transports active ingredients into teak, then the water evaporates, leaving the wood residue-free. Oil-based products are for indoor woods only. In teak, the oil seeps into cracks and does not evaporate, resulting in mold and mildew.

The results from Golden Care products last 3-4 times longer. The world's top teak manufacturers use Golden Care products in their factories. Treat and protect your teak furniture with the best.
