

Heartwood Bluebird Manor Birdhouse

HTW-006

Bluebirds were there to welcome the first settlers of Plymouth Colony, who called them blue robins. Now you can return the hospitality with the royal welcome of Bluebird Manor. Solid cypress construction features our famous stone-washed shingled roof, solid copper trim and hinged front door for east access, viewing and cleaning. Excellent floor drainage and roof ventilation, with mounting paddle for easy hanging. Expect pilgrims shortly!
