

# Heartwood Chick Birdhouse

HTW-075

Call us old-fashioned, but we're just too sweet on this old-time favorite to make many changes. A bit of freshening with clapboard siding was all we thought this great home needed. We think you'll agree. Solid cypress, as always, with hand-shingled roof and full copper trim; ventilation, drainage, rear cleaning door and mounting paddle for easy hanging.

- Available in several colors
- Clapboard Siding
- Cypress construction
- Rear cleaning door
- Mounting paddle for easy hanging
- Handcrafted in the USA
- 6" x 8" x 12"; 2 lbs
- Hole Size: 1 3/8"
