

Heartwood Parish Picnic Birdhouse

HTW-254A

Hungry birds? Perish the thought, with Parish Picnic, that is. And while your birds are sure to appreciate the feast you lay out with Parish Picnic, you'll adore the easy lasting beauty of the PVC and cypress construction. Echoing the delicately graceful lines of Parish Peep, this hard-working feeder (with attached post pocket for simple 4 x 4 post mounting) is the ideal companion structure, or a perfect piece of heaven all on its own. Peace and harmonious music be with you with Parish Picnic! Holds up to 5 lbs of seed.

- Delicate graceful lines
- PVC construction
- Cypress shingles with copper ridge
- Hold up to 5 lbs of seed
- Handcrafted in the USA
- 9 x 10 x 29 in
