

Heartwood Sleepy Hollow Birdhouse - White/Verdi Copper Roof

HTW-142

Fully Functional bird house that has a whimsical side. Verdi copper roof with a moose, dog, horse or hen ornament atop the copper cupola. Verdi copper tree appliques complete the look. Wood ceiling keeps out the heat - ventilation and clean out built in! 1 1/2" hole fits chickadees, bluebirds, nuthatch, swallows, titmice and wrens. Proudly handcrafted in the USA.
