

Heartwood Starter Home Birdhouse - Mahogany

HTW-108F

Heartwood's entry level, solid mahogany birdhouse is quite a way to take up housekeeping for the birds. 100% solid mahogany with copper trim and cleanout door. Metal back hook for hanging and proper ventilation and floor drainage. The lap siding gives the 'Starter Home' terrific curb appeal. Hand oiled ready to hang and enjoy. 1 1/4" hole for chickadees, nuthatch, swallow and wren. Sure to last for years.
