

# Heartwood Trellis Trio Birdhouse

HTW-233

Solos are sweet but trios are terrific when it comes to avian accommodations that meld this much charm with so much practicality. These three cute-as-can-be wren houses arrive with attached trellis; expect multitudes of bird to arrive soon after. Vibrant color combinations make this tempting triptych a refreshing addition to your birding landscape. Harmony on high, from Heartwood!

- Available in vibrant color combinations
