

Jardinico JCP101 9' Hexagonal Centerpost Umbrella

JRD-JCP101-28

The JCP.101 Push-Up Hexagon 9' Centerpost is simple and easy-to-use with a magnodraulic push-up system to open and close the umbrella. This elegant, extra-sturdy aluminum hexagonal shaped frame, seamlessly transitions from pole to base. The JCP.101 style is ideal for restaurants, cafés, bistros and poolside.

Boasting more than 15 years of experience, the Belgian Jardinico is a well-established value in the outdoor world. The company brings an extensive collection of quality umbrellas both for residential projects as well as

the contract market. Modern designs, top quality, maintenance-friendly fabrics and handy opening systems are featured. Made to last for years to come, these innovative umbrellas do not just protect against the sun. They embody beauty and elegance that serves as the finishing touch for any outdoor setting.

Base Note: Due to this revolutionary hexagonal pole designed for durability in high wind, this unique sturdy base is required. The umbrella will not fit in a typical round umbrella base.

Frame and Base Note: Base finish matches frame finish except for TK (Alu Teak) which uses the CC (Charcoal) finish.
