

Jardinico MKC501 Concrete Mount Kit

JRD-JCB-MKC501

The Jardinico MKC501 Concrete Mount Kit offers a secure and sturdy means to set up your JCP.501 umbrella.

Boasting more than 15 years of experience, the Belgian Jardinico is a well-established value in the outdoor world. The company brings an extensive collection of quality umbrellas both for residential projects as well as the contract market. Modern designs, top quality, maintenance-friendly fabrics and handy opening systems are featured. Made to last for years to come, these innovative umbrellas do not just protect against the sun. They embody beauty and elegance that serves as the finishing touch for any outdoor setting.

Installation Note: Ensure optimal performance and safety with professional installation by a qualified contractor.
