Bid farewell to hard wood or metal outdoor chairs! The Juniper Outdoor Bean Bag Lounge Chair is the clever combination of a comfy bean bag and luxurious patio chair. The modern tapered design keeps your back

comfortably supported and stable while the EPS bead filling conforms to your body. The handle along the top makes it easy to move and re-position when lounging poolside. The Juniper is covered with solution dyed acrylic that is fade, mold, UV, and weather resistant ensuring that it will last for seasons and stay cool in the summer sun. The cover is removable and machine washable to ensure your chair always looks its best, and the inner-liner's childproof zipper keeps the filling safely out of sight when cleaning the cover.
