

Kingsley Bate Azores Wicker Side Table with Glass

KYB-AZ20

The Kingsley Bate Azores Collection strikes the perfect balance between transitional and modern design.

Angular planes of hand-woven fiber are supported by a sturdy base of solid teak hardwood. All frames are constructed from all-weather wicker fiber that has been wrapped around an aluminum frame and the finest solid teak.

Note: In intense heat, woven tabletops under glass may become more elastic but will return to their original form once temperatures cool.

Please Note: Kingsley Bate fabrics, canopies, cushions, covers, special order sling colors, and special order finishes are considered customized and may have longer lead times. These items cannot be cancelled, returned, or exchanged.
