

Kingsley Bate Hyannis Teak 102" Rectangular Extension Dining Table

KYB-HY102N

The Hyannis extension tables are the perfect complement to a wide assortment of modern and transitional

dining chairs. Expertly crafted from solid Grade A teak, the tables expand using smooth stainless-steel tracks. The design of the tables incorporates superb modern styling, including a streamlined width and block-style legs. Table length can be easily adjusted using one or both of the two self-storing butterfly leaves. A stationary center section makes it unnecessary to remove an umbrella when adjusting the table size.

Please Note: Kingsley Bate fabrics, canopies, cushions, covers, special order sling colors, and special order finishes are considered customized and may have longer lead times. These items cannot be cancelled, returned, or exchanged.
