

# Kingsley Bate Jupiter Wicker Side Table with Glass

KYB-JP20

The Jupiter Collection's woven frames showcase a modern, angular design. The open architecture of the

seating reveals a floating seat deck that supports thick, comfortable cushions. The distinctive "X" motif is made from solid teak.

Note: In intense heat, woven table tops under glass may become more elastic but will return to their original form once temperatures cool.

Please Note: Kingsley Bate fabrics, canopies, cushions, covers, special order sling colors, and special order finishes are considered customized and may have longer lead times. These items cannot be cancelled, returned, or exchanged.
