

Kingsley Bate Replacement Umbrella Canopy Fabric for 10' Umbrella

KYB-CVR02

NOTE: this item is the COVER ONLY - and does not include the wooden umbrella frame. This is a replacement umbrella fabric that fits our Kingsley-Bate 10' umbrellas with a 2" pole. Lead time depends on the fabric chosen - a few basic colors are kept in stock, while others are made to order. Note: Kingsley Bate made a model change and these replacement canopies do not fit the older models. The new style does have a pulley system whereas the old style does not have a pulley system. All sales final on replacement canopy orders; please call if you are not sure this canopy will fit with your existing umbrella frame.
