The St. Barts Collection is a modern, striking style that assimilates to countless settings. Pieces are crafted from all-weather rope that has the natural look of authentic hemp rope. Frames are made from aluminum with solid teak feet. St. Barts coordinates perfectly with a broad assortment of teak dining and occasional tables.

The Tuscany Collection is made from distressed teak. Natural features in the wood help give these tables their rustic charm. These characteristics include knots, checking, and other irregularities.
