

Kingsley Bate Teak Large Storage/Cushion Box - Quick Ship

WQS-KYB-CB60

The Kingsley Bate Teak Large Storage/Cushion Box measures 60 inches in length and will accommodate a number of large cushions, pool floats, and other outdoor accessories. The top of the box is silicon sealed,

while the bottom of the box is slatted so cushions stay dry, or dry out, if necessary. For safety purposes, the hydraulic stays keep the top from slamming when closing. This box can also be used as a toy chest, or as a serving table when the top is down.

Note: The lid will have three partitions as the last picture indicates due to new manufacturer design.

Note: Teak wood contains natural oils that seep out when the wood is new. Always allow the interior of the cushion box to weather prior to storing cushions or other items could be stained by these oils.

Please Note: Kingsley Bate fabrics, canopies, cushions, covers, special order sling colors, and special order finishes are considered customized and may have longer lead times. These items cannot be cancelled, returned, or exchanged. In addition, most cushions ship separately from furniture and come directly from the cushion factory.
