

Kingsley Bate Tivoli Stainless Steel Sectional Curved Ottoman

KYB-TL32

The modern Tivoli Collection is beautifully crafted from high grade stainless steel and premium teak. The pieces are generously scaled for exceptional comfort.

Please Note: Although stainless steel is usually resistant to corrosion, the surface is susceptible to cosmetic discoloration due to the effects of salt water, salt air, chlorine from pool water, and air-borne chemicals. We do not recommend using this furniture if you are within 10 miles of the ocean unless the furniture has been electropolished. Please contact Frontera for further information at customercare@frontera.com, or [start chat](#).

Please Note: Kingsley Bate fabrics, canopies, cushions, covers, special order sling colors, and special order finishes are considered customized and may have longer lead times. These items cannot be cancelled, returned, or exchanged.
