

Kingsley Bate Tortola Deep Seating Sofa

KYB-TO95

The Tortola Collection's wide expanses and uninterrupted lines accentuate its grand proportions. Elegant

sloping arms, extra-deep cushions, and handwoven gray wicker provide a relaxing lounge setting. Frames are crafted from aluminum wrapped with premium all-weather wicker. Feet are made from Grade A Teak.

Upholstered components use the most advanced materials available for weather resistance. That includes Sunbrella® Rain fabric, polyester fiber-filled back cushions, and upholstered seats and backs that have a blend of fiber and reticulated foam. Pliable sling decking beneath the seats provides optimum comfort.
