

La Siesta CasaMount Black - Multipurpose Suspension Set for Hammocks

LS-CMF30-9

The multipurpose suspension kit is the universal solution for hanging any hammock from any kind of wall or ceiling—indoors or outdoors. It is designed with optional angled screw guidance for use on wooden drywall joists and studs. Developed in Germany, the patented suspension kits are made using the highest-quality materials and workmanship.

- Includes: 1 suspension kit; hammock sold separately
- Durable, weather-resistant, and safety tested
