

# La Siesta TreeMount Black - Tree and Pole Suspension Set for Hammocks

LS-TMF45-9

La Siesta's patented, tree-friendly suspension straps allow you to easily hang your hammocks from trees, beams, and round posts. Thanks to the SmartHook, the height and length can be easily adjusted without any

knots. Developed in Germany, the patented suspension kits are made using the highest-quality materials and workmanship.

- Includes: 1 suspension kit; hammock sold separately
- Durable, weather-resistant, and safety tested
